

**We are called.** As people of light and spirit,  
we are called more than ever before to attend the greater good.  
Yet sustaining a passion for this work calls us to also attend ourselves.  
To root ourselves deeply, firmly in Spirit so that the truth of who we are,  
what we stand for, and where we stand shines a powerful light.  
Ready for the winds and blessings of change.

Reach out your hand if your cup be empty,  
If your cup is full may it be again,  
Let it be known there is a fountain,  
That was not made by the hands of men.
